

BERNARDO FRANCO

STAGE AND VISUAL PRODUCER

Stage and visual production that turns ideas into clear, technical and memorable experiences.

CAPABILITIES

- **Technical production**
Planning, equipment and on-set execution.
- **Lighting**
Lighting plots, setup and atmosphere creation.
- **Visual direction**
Concept, composition and visual consistency.
- **Post-production**
Editing, color and visual finishing.

PROFILE

Stage and visual producer focused on turning concepts into clear, feasible and memorable experiences. Combines planning, technical operation, lighting and visual direction to coordinate teams, resources and aesthetic decisions from pre-production through final delivery.
